Subject: DMV Wait Time

Hello Rep McGorty

I spent my entire Saturday morning Feb. 27 getting a new drivers license.

Have to renew at a hub DMV because I hold a CDL license. I arrived at Bridgeport DMV, to stand in line outside @7:45am. I entered the building @ 8:30 and waited to process, pay and have my picture taken @ 11:30. An additional 15 minutes for the license to process and I was out the door @ 11:45. I have never waited at a DMV for more than an hour no matter what I had to do. Outrageous. Something needs to be done.
